ORDER GRANTING DEFENDANTS'  
MOTION FOR RENOTE

This matter comes before the Court on defendants' motion to renote their motion to dismiss (Dkt. #14). The motion to dismiss was originally noted for December 8, 2006 and defendant now requests that the Court renote the motion for December 15, 2006. The Clerk of Court is directed to renote "Defendants' Motion to Dismiss" (Dkt. #10) on the Court's calendar for Friday, December 15, 2006. Any opposition is due no later than Monday, December 11, 2006, and any reply is due no later than December 15, 2006. See LR 7(d)(3).

DATED this 4th day of December, 2006.
